Question 2 (A)

	SHOES C	SHOES A	SHOES B
Price		RM159.90	RM106.90
Available at	The Store		Seremban Parade
Material		suede	leather
Product of	Malaysia	U.S.A

2 (B)

I would choose Shoes A because the design is beautiful. It is made of leather, which is long lasting. It is made in U.S.A and it is of high quality. The shoes come in two colours, which are black and brown. My mother's favourite colour is brown, so I will buy the brown shoes for her. It is available in Jaya Jusco, which is not very far from my house. I can ask my father to drive me there. The price of RM159.90 is quite high but I have enough money to buy the shoes. I love my mother very much and I want her to be happy on Mother's Day.

Question 3

Imran came home from school. His mother was not at home. He was hungry, so he decided to cook some instant noodles. He put some water into a pot and turned on the stove.

While waiting for the water to boil, he sat on the sofa and watched television. He fell asleep.

After half an hour, he woke up. He smelled something burning. He quickly rushed to the kitchen. Imran saw that the water in the pot had dried and the pot was burnt. He turned off the stove and put the pot into the sink. Imran regretted for being careless.
